III. AMOUNT OF GRANT
The maximum grant is $3,000. A request for less than a maximum grant is encouraged when the full amount is not essential. The total grant awarded is based on the availability of funds and applicants’ individual needs. Regardless of the amount awarded, recipients are eligible to receive only one PCE grant.

Grants to Canadian women will be paid in Canadian dollars unless attending an educational program in the U.S.; then payment may be in U.S. dollars if requested by the recipient.

Procedures for Sponsorship

I. INTERVIEW
When a local chapter identifies a prospective applicant, the chapter PCE chair will schedule an interview. The PCE Pre-Application Eligibility Worksheet and the Pre-Application Income and Expense Worksheet, available on the PCE portion of the P.E.O. International member website, are to be used by the interviewing committee. No guarantee should be given as to eligibility or the probability of receiving a grant in the amount requested.

II. CHAPTER APPROVAL
Chapter approval is granted by a majority vote at a regular or special meeting.
III. RECOMMENDATION PROCESS

PCE recommendations may only be submitted electronically using the online Chapter Recommendation Form. Instructions and form can be found on the PCE page of the P.E.O. International member website. The chapter recommendation may not be written by a family member.

Once the recommendation is reviewed, instructions (including the specific deadline for submitting her completed forms) will be emailed to the applicant.

IV. DUE DATE FOR COMPLETED APPLICATION

Each applicant is given 30 days from the date she receives the email from the PCE supervisor to complete and submit her forms. The local chapter contact will be sent an email with the applicant’s submission deadline and should follow up with the applicant to make certain she submits her information on or before the submission deadline.

V. RESULT OF GRANT CONSIDERATION

When a grant is awarded, payment is made in the recipient’s name. In the event the recipient is unable to begin her studies as scheduled, the grant should be returned to the PCE office.

In the event an applicant is not awarded a grant, the denial letter is sent to the applicant and a copy of the letter is sent to the sponsoring chapter. If grant denial is due to an insufficient financial plan, the trustees encourage a reapplication with an improved financial plan.

VI. CHAPTER INVOLVEMENT

Local chapters are encouraged to become involved in developing the potential of women in their own communities. The personal interest and encouragement shown by the chapter members are often as important as the grant itself in assisting the student as she faces a change in her life situation. The P.E.O. Program for Continuing Education is a combined effort of all P.E.O. members, the sponsoring chapter and the grant recipient.

VII. PUBLICITY PERTAINING TO RECIPIENTS

Local chapters are encouraged to publicize their support for the PCE recipients they sponsor and share their accomplishments. However, the chapter must receive a signed copy of the P.E.O. Photograph and Publicity Consent Form from the media kit found on the P.E.O. International member website prior to sharing any personal, identifying information for their recipient on news media, P.E.O. websites or social media accounts.
