

P.E.O. PROGRAM FOR CONTINUING EDUCATION

GIVING THE GIFT OF A PCE NAMED GRANT

The funding of a PCE Named Grant provides a way to make a special gift to the P.E.O. Program for Continuing Education in honor of an individual, a chapter or as a memorial.

1. *What is a Named Grant?*

A donation to PCE totaling \$4,000 from an individual, chapter or a group of chapters may be designated as a **PCE Named Grant**.

2. *How is funding handled for those who wish to qualify for a tax credit?*

A \$4,000 check, or a group of checks totaling \$4,000, made payable to PCE, should be sent to the treasurer of International Chapter and include: the name and address of the donor(s), the name and address of the person honored or, in the case of a memorial, the name and address of a family member to be notified. The memo line on the check(s) should specify: **PCE Named Grant**.

3. *How do chapters/groups of chapters fund a PCE Named Grant?*

Chapter donations should be processed through the s/p/d treasurer. A group of chapters joining together to fund a grant should submit their individual chapter checks, totaling \$4,000, in a single mailing that specifies their use as a **PCE Named Grant**.

4. *When are PCE Named Grants awarded?*

A **PCE Named Grant** should not be confused with an endowed fund which is administered by the P.E.O. Foundation. The \$4,000 will be awarded as quickly as a match is found.

5. *Can the donor specify the recipient of a PCE Named Grant?*

The donor may not impose restrictions. The PCE board of trustees will select **PCE Named Grant** recipients from applicants sponsored by local chapters and processed through the office of the P.E.O. Program for Continuing Education. When possible, the trustees will select a recipient from the donor's state/province/district.

6. *Does the PCE Named Grant increase the total amount of the grant awarded?*

No. The maximum PCE grant award is \$4,000 even when the funds are from a **PCE Named Grant**.

7. *What is the process for receiving recognition at s/p/d convention for a PCE Named Grant Donation?*

PCE Named Grants funded through chapter donations received during the local chapter fiscal year (March 1 thru February 28/29) will receive special recognition at the next s/p/d convention.
