

ENDOWED AND NAMED SCHOLAR AWARDS

ENDOWED SCHOLAR: An Endowed P.E.O. Scholar Award is a designated honor award presented to a top scholar and supported by special endowed funds held for P.E.O. Scholar Awards by the P.E.O. Foundation. The donor or family most often selects the name designation. The principal of each endowed fund provides the interest for the funding of the award.

Endowed scholars are notified of their special distinction after June 1. Special certificates are prepared and sent directly to the awardees with a letter from the chairman of the board of trustees. The donor contact of the endowment is also notified by letter from the chairman of the board of trustees announcing the recipient of the award. In addition, the president of the s/p/d in which the awardee was nominated is notified of this distinction.

NAMED SCHOLAR: A Named P.E.O. Scholar Award is a gift or bequest by an individual(s) and/or chapter(s) equal to the amount of an award for that academic year (\$20,000). The donor most often selects the name designation. Top scholars are selected as recipients of named awards by the board of trustees from among all P.E.O. Scholar Awards for that year. If possible, selection of the scholar will take into account the donor's wishes and interests and the donor's geographic area.

Named scholars are notified of their special distinction after June 1. Special certificates are prepared in the office and sent directly to the awardees with a letter from the chairman of the board of trustees. The chairman will also send a letter to the donor announcing the recipient of the award.
