

Convention Report Outline
76th Convention of International Chapter
Pittsburgh, Pennsylvania

The following topics and resources may be used to develop your convention report.

Log in to the P.E.O. International member website to access the Convention web page <https://members.peointernational.org/convention> where Convention resources can be found, including:

- ★ The Convention Blog by P.E.O. Record editor Becky Frazier and digital communications specialist Annie Jenkins – follow the daily happenings leading up to and during the days of convention; use this resource to add details to your report.
- ★ P.E.O. International will post results of voting on proposed amendments on our member site each day as results are verified. Complete results, including vote counts, will be posted following convention by **Wednesday, September 27.**
- ★ Presentations from Opening Night's Projects Program
 - ☆ For future programming, these may be downloaded from the P.E.O. website and viewed on a computer screen or television.
- ★ **Note: By Friday, September 29, a completed version of this outline will be posted. You may use it for your reports, if desired.**

Utilize information from Convention:

- ★ Number of registered delegates, visitors and volunteers
- ★ Official photo packet sold at convention
- ★ Take your own candid photos

- ★ Check P.E.O.'s official Facebook, Twitter, Instagram and LinkedIn pages for Convention-related posts
- ★ Find Convention resources at <https://members.peointernational.org/convention>
